FOR DEMOGRAPHIC
RESEARCH

MAX-PLANCK-INSTITUT
FÜR DEMOGRAFISCHE
FORSCHUNG

www.demogr.mpg.de

The **Laboratory of Historical Demography** within the Max Planck Institute for Demographic Research (MPIDR) is seeking to recruit a

Research Scientist in Historical Demography

with an active research agenda in (1) historical demography and/or (2) the use of historical sources to answer current demographic questions. Please include a 3-4 page “research agenda” for the next 2-3 years with your application, indicating research questions, sources, and methods.

Applicants must have completed a Ph.D. degree and have a record of scientific excellence. Applications should include a CV including information about their education, a list of publications, and the contact details of 3 persons who can be contacted for references. Research scientists will be employed according to qualification and experience in accordance with the rules of federal employees in Germany.

Please send all materials (by e-mail) to Prof. Dr. Joshua Goldstein, Director of the Max Planck Institute for Demographic Research, at appl-history@demogr.mpg.de. Or send your application to:

Max Planck Institute for Demographic Research
Prof. Dr. Joshua R. Goldstein
Konrad-Zuse-Str. 1
18057 Rostock
Germany.

The Max Planck Society is committed to employing more handicapped individuals and especially encourages them to apply. It wishes to increase the share of women in areas where they are underrepresented, and strongly encourages women to apply.
