

**Job Details**

Requisition Number:	0003717
Field(s) of Specialization:	
Position Title:	Assistant, Associate Professor (tenure or tenure-track scholar)
Department:	8215- SMS Sociomedical Science
Department Number:	8215
Location:	Medical Center
Summary Description:	<p>The Herbert Irving Comprehensive Cancer Center, together with the Department of Sociomedical Sciences at Columbia University's Mailman School of Public Health, invite applications for a tenured or tenure-track scholar at the Assistant, Associate or Full Professor Level in social and behavioral cancer prevention and control research. Research areas may relate to preventive health behaviors (e.g., tobacco prevention/cessation, physical activity, and dietary behaviors), obesity prevention, cancer screening and early detection, genetic counseling and testing, cancer outcomes research, behavioral oncology, treatment adherence, psycho-oncology, or cancer survivorship. Candidates should have research experience and training in behavioral science and/or the social sciences. Expertise in health communication, structural or behavioral interventions, implementation science, community-based research, and/or health disparities is desirable. The selected candidate will be expected to hold an active record of extramurally funded research, and to work across disciplines to collaborate with researchers at Columbia and the Cancer Center. The candidate will also mentor graduate students and junior faculty members, teach graduate courses, and engage in department and university-level service activities. Applications from all areas of expertise across the cancer continuum are welcome.</p>
