L.A.FANS DATA USERS' WORKSHOP: FOR NEW AND EXPERIENCED USERS

Upgrade your knowledge or learn to use the Los Angeles Family and Neighborhood Survey (L.A.FANS) data for research. L.A. FANS is a tool to study stratification and demography, determinants of educational and health outcomes, neighborhood effects on children and adults, family dynamics, unemployment, and urban and spatial structure.

Workshop is *free*, but *registration is required*. Includes breakfast and lunch both days.

More info and registration: Rachel Veerman at <u>rveerman@ucla.edu</u>, with the subject line of "L.A.FANS Data Workshop" before 9/1/2014.

September 12 and 13, 2014 9am to 5pm

4th Floor, Public Affairs Bldg., **UCLA Campus**, Los Angeles, CA 90095
